Presented by

Delta Tau Delta Fraternity & the Ladies of Alpha Chi Omega

Dr. Paul P. Fidler

This race is held in memory of Dr. Paul Fidler who lost his life to Chronic Lymphocytic Leukemia, a blood cancer in which the bone marrow makes too few infection-fighting white blood cells.

Dr. Fidler gave over 35 years of his life to student affairs and higher education at the University of South Carolina. He was active in many leadership roles, including the College of Education, the Career Center, University 101, SCCPA, Omicron Delta Kappa, SPA, Student Life, the Chaplain's Association, among many others.
